

Impact & Reach

JAMA Cardiology is positioned at the nexus of clinical investigation, actionable clinical science, and clinical practice, with emphasis on traditional cardiovascular medicine, evolving cardiovascular science, and evidence-based health policy. Health equity, especially when supported by original science, is a leading editorial priority.

Prompt Decisions & Rapid Publication Timelines

- Highly selective peer review and editorial evaluation, with 10% acceptance rate for all submissions
- Median time to first decision: 10 days; with review, 60 days
- Expedited peer review and online publication for select clinical trials, other major studies, or reports with urgent public health importance
- Online First publication of all articles

Author Service

- User-friendly manuscript submission system and process
- Prompt, expert review and consideration from our experienced editors
- Highest standards followed to improve your accepted manuscript's accuracy, reliability, and readability
- CME credit available for lead authors
- Opportunity for your work to be augmented with expert illustration, interactive features, video, audio, and visual abstract
- Number of citations, Altmetric score, page views, and PDF downloads tracked for your published article
- Free public access: All research articles are freely available 12 months after publication on the journal's web site
- Open access: Authors of research articles may elect to pay for immediate open access on the day of publication
- Deposit to PubMed Central: The journal deposits all published research articles into PubMed Central (PMC) for authors
- Authors may post accepted research manuscripts in public repositories on or after publication provided that they link to the published article on the journal website
- Online extras: Ability to post supplemental content online and download your article's tables and figures as PowerPoint slides
- The JAMA Network advantage: Authors of papers not accepted by JAMA C • • may have the option to have their papers and reviewers' comments automatically referred to one of the other JAMA Network Specialty Journals and/or JAMA Net • O n
- Dedicated media team to promote your article to the news media and on social media
- Commitment to equity: JAMA Network journals welcome manuscript submissions on equity, diversity, and inclusion (EDI)
